BURGUNDY SANTENAY

The domain Girardin is one of those domains, which we are sure that the quality is always there. The domain is a family affair ruled by Jacques Girardin, who is the archetypal Burgundy grower and producer, and soon the son Justin. The family take a particular consideration to produce and offer an excellent quality of wine bolstered by exploiting 17.000 hectares and using the "biodynamic" process, which is based on a holistic understanding of agricultural processes. Thanks to their knowledge, they are regularly quoted in the famous paper "the "Decanter". Recently for the DAWA 2013, they won the bronze awards for the Santenay 1er Cru.
